The regional roadshow rolls on, as we check in on the latest from some of the most dynamic programs in a given section of the country; this week we'll be stopping by the golden coast to get an update from the evolving playoff picture in California, and the last gasps of the regular season in Hawaii. Hang loose, hang ten, and hang on tight for a quick spin around the Pacific!

P30 No. 18 Torrey Pines will have the opportunity to avenge their epic five set loss to **San Marcos** in the 4 v. 5 match of the San Diego Sectional of the CIF playoffs. Senior outside hitter **Hannah Flannery** is ten kills shy of reaching the 300 kill mark, followed by 3 fellow triple-digit scorers, while **UCLA** commit **Katerina Lutz** commands the floor defense, averaging just over 12 digs/match, and **Cal Poly** bound, senior setter, **Brooklyn Burns** has allocated 574 assists on the campaign to navigate the Falcon's offense; the middle blocker duo of senior **Claire Deller** and junior **Grace Flanagan** have combined for 305 kills as well as 145 total blocks. This highly anticipated quarterfinal match will take place this Saturday.
